

# MONTHLY NEWSLETTER

January 2025 Edition

**SADRE Solutions Pvt. Ltd.**

**To celebrate this new beginning, we're launching our first newsletter to share our latest programs, partnerships, and impact stories with our valued community.**

As we embark on this exciting chapter, we seek your support in:

- *Industry connections*
- *Referrals to institutions*
- *Collaborations with industries*
- *Funding for livelihood projects*

**Together, let's create a lasting impact!**

## **Exciting News! Innovation Nest is now part of SADRE Solutions Pvt. Ltd.!**

We are thrilled to announce that Innovation Nest has now evolved into SADRE Solutions Private Limited! This transition marks a significant milestone, reinforcing our dedication to skill development, career mentoring, and industry collaborations.

As SADRE Solutions, we will continue to empower students, collaborate with institutions, and bridge the skills gap through innovative programs and impactful initiatives.

## Program Highlights

### **Creative Content Writing at Soka Ikeda College for Women**

We kicked off the year with an interactive Creative Content Writing session for the English Department at Soka Ikeda College for Women.

The program encouraged students to enhance their writing skills, fostering creativity and effective communication.

### **Industry Insights at United International Business School**

Our team conducted three specialized career sessions for first-year students from different departments at United International Business School. These sessions provided valuable insights into career opportunities, industry trends, and essential workplace skills.

### **Career Guidance at CSI Bethlehem Church**

As part of our commitment to youth development, we organized a Career Guidance Program for youth and teens at CSI Bethlehem Church. Participants explored different career paths, received mentorship, and aligned their aspirations with industry needs.

### **Business Process Management (BPM) at St. Aloysius Degree College**

We successfully launched a Business Process Management (BPM) course at St. Aloysius Degree College, benefiting 53 students. This program equipped them with industry-relevant BPM knowledge, preparing them for corporate opportunities.

## Mega Job Mela – Impacting 5000+ Students

We were proud to be part of a Mega Job Mela in Bangalore, which provided a platform for students to connect with top recruiters.

- ◆ 5000+ students participated
- ◆ 113 companies conducted interviews

## Placement & Job Fair Highlights:

We are thrilled to announce the successful completion of our first batch of Full Stack Development students after an intensive 3-month journey.

- *20 students placed; 14 candidates in progress*
- *Participation in the Bangalore Job Fair, connecting with top companies*

This milestone reinforces our commitment to bridging the skill gap and creating career opportunities. Congratulations to our students—we look forward to their continued success!

## Strategic Collaborations

We are expanding our reach through valuable partnerships:

**Mouktik Consulting Services, Hyderabad** – Enhancing our expertise in skill development and corporate training.

**IscalePro Talent Assessment Solutions** – Strengthening our ability to provide comprehensive talent assessment and employability solutions.

## Looking Ahead

As we embark on this exciting journey as SADRE Solutions Pvt. Ltd., we remain committed to:

- **Empowering students through skill development**
- **Forging meaningful collaborations with institutions**
- **Bridging the industry-academia gap**

Stay tuned for more impactful programs in the coming months!
