## Digital Skillathon 2025

### Transforming Institutions, Empowering Futures

#### Empowering the Future: Launching the Digital Skillathon

In today's rapidly evolving digital landscape, equipping students and educators with relevant skills is paramount. Digital skills are no longer limited to IT—they are essential across every discipline, from healthcare and finance to education and manufacturing.

Aligned with initiatives like NASSCOM's FutureSkills Prime, which aims to make India a Digital Talent Nation, we are excited to spearhead the Digital Skillathon—a one-day program focused on mastering a key digital skill. This serves as a curtain raiser to the many skilling programs available through the FutureSkills Prime digital learning platform, providing students and faculty with structured pathways to enhance their digital competencies.

#### Inspiring Moments with Enabling Leadership Global

A heartfelt thank you to Enabling Leadership Global for the incredible opportunity to engage with such amazing kids! Their energy, confidence, and curiosity were truly inspiring—right from the start. It was a joy to witness the impact of EL's interventions firsthand.

Our Founder & CEO, Gnanaraj Sadacharam, was honored to be a panelist at ELEVATE 2025, contributing to discussions on the Future of Work alongside esteemed speakers. Sharing insights and shaping young leaders' perspectives made this an enriching experience. Looking forward to more such meaningful engagements!

## Thoughts That Inspire

**Thoughts That Inspire** is a special space in our newsletter where voices from across our ecosystem come together to share wisdom, encouragement, and reflections. From well-wishers and mentors to donors, partners, alumni, and thought leaders, this column features heartfelt messages from those who believe in our vision.

“I’ve had the privilege of watching SADRE Solutions grow from a spark of innovation into a beacon of possibility. Their unwavering commitment to turning challenges into opportunities is truly inspiring. More than technology or solutions, it’s about a shared vision—proving that no obstacle is insurmountable.

On a personal note, their support has extended beyond classrooms and seminars, offering invaluable coaching that has shaped my journey. Their dedication to unlocking potential drives meaningful change, touching lives worldwide. May their inspiration continue to make a lasting impact!”

**Chandra Prabha Botcha,**  
Thought Leader 

A Big Thank You  to our partners, institutions, and stakeholders for making these achievements possible! Stay tuned for more updates as we continue to transform digital learning & industry engagement.
